PROFESSIONAL SUMMARY

To obtain a position as a software developer in a challenging environment that utilizes my skills and experience and keen to work in an environment where I can enrich my knowledge.

QUALIFICATIONS

- MCA – Paavai Engineering College, Namakkal (2025) – 75.6%.
- BCA – AVS Arts and Science College, Omalur (2023) – 73.63%.

TECHNICAL SKILLS

Frontend Development

- HTML5, CSS3, JavaScript.
- React.js – components, hooks, state/props, routing.
- Bootstrap – responsive grid system and UI components.

Backend Development

- Python – OOP, scalable applications.
- MySQL/SQL – optimized queries, schemas, data analysis.
- REST API – secure communication between frontend and backend.
- Git/GitHub – version control and collaboration.
- Agile Methodology – iterative development, sprint planning, team collaboration.
- Django/Django REST Framework/Flask – skilled in building full-stack web applications.
- Postman for API Testing.

AI Tools & Productivity

- Skilled in using AI copilots and research bots (**Copilot, Perplexity, Gemini, DeepSeek, Claude**) for rapid knowledge acquisition.
- Leveraging AI for documentation, brainstorming, and productivity optimization.
- Integrating AI-driven insights into workflows to accelerate delivery and improve quality.

PROJECT EXPERIENCE

Banking Management System

- Full-stack web app for account creation, deposits, withdrawals, transfers, and balances using secure REST APIs.
- Tools and Technologies: Next.js (React.js), Python/Django, Axios, VS Code, Git/GitHub.

Employee Management System

- Full-stack web app for employee CRUD operations including add, view, edit, delete with department, position, salary, and hire date management.
- Tools: React.js/Next.js, Python/Django, Axios, VS Code, Git/GitHub.

CERTIFICATIONS

- **Python Full Stack Development Course** – Accord Info Matrix (6-month offline training program).
- **Google Project Management Certificate** (Coursera).

ADDITIONAL INFORMATION

- Strong problem-solving, debugging, Effective communicator and collaborative team player.
- Passionate about continuous learning and adapting to emerging technologies.
